Dear Sir:

In response to the Office Action dated November 5, 2002, please consider the following remarks regarding the above-referenced patent application.

REMARKS

In the Office Action, the Examiner noted that Claims 104-109 and 115-126 are pending in the application. Claims 104-109 and 115-126 are subject to restriction and/or election requirement. Applicant respectfully requests consideration of the following remarks.

I. ELECTION TO GROUPS I AND II

The Inventions of Group I drawn to an introducer sheath device and Group II drawn to a method of repairing an aneurysm are related as products and process of use. In compliance with the restriction, an election with traverse is made to prosecute the invention of Group II, claims 115-126. Group I, claims 104-109 are withdrawn from further consideration. Applicant reserves the right to file a divisional application directed to the non-elected claims.
